LEEM

The purpose of Audio/Power TWINS Cable is all in one cable to provide balance audio signal and AC power at the same time from Mixer to Self powered Loud speaker system.

1. AC power cable and balanced audio are combined with one cable for convenient and easy.
2. With equipped special shield, all kinds of hum and noise for AC CABLE are isolated.
3. Stock connector configurations are available for all common applications.

IEC female type

AIEC-6M / AIEC-12M
