GEE8256GST GRETSCH ENERGY 5PCE KIT- COMPLETE PACK WITH HARDWARE - GREY STEEL \$999.00 RRP

GEE8256WHT GRETSCH ENERGY 5PCE KIT- COMPLETE PACK WITH HARDWARE - WHITE \$999.00 RRP

New for 2012, the Gretsch Energy drum set package comes complete with hardware, the toms feature "quick" sizes, which provide punchy tones and allow for lower positioning to benefit younger drummers. Hardware is double braced and includes stylized Gretsch Energy pedal boards. All Poplar shells have 30-degree bearing edges, and feature 5 lug configuration on 10" and 12" toms with Gretsch style lug that draw from the rich Gretsch lineage. The Gretsch Energy series is perfect for the first time buyer and packed with features that are found on semi-pro drum sets, including non-drilled bass drum.

>COLOURS - Grey Steel (GST), White (WHT), Black (BLK)

>DRUM SIZES 22x18 BASS , 10x7, 12x8 MOUNTED TOMS, 16x14 FLOOR TOM, 14x5.5 SNARE (8 LUG)

>Non-drilled bass drum / 5-lugs on 10" & 12" toms / Gretsch style lug / metal BD hoops / Gretsch branded pedal boards

>30-degree on toms and BD / 45-degree on snare, 1.6mm triple Flanged Hoops
