

Compact 60₂

acoustic
solutions
standard level

The Compact has proven that there is an all-round, small, powerful and yet simple to use complete solution for stage, studio and home use that works up to the highest demands and standards of acoustic players.

It has found many friends around the world with its size – smiled at in the beginning – being its second strongest side. It has become the standard equipment – „...the amp of choice“ – for those musicians who value sound, simplicity and independence. It has qualified for nearly all instruments and applications.

- 60 watts, dynamic control
- 8" (200 mm) twin cone speaker
