

Rocket amp -

The Green Beast for easy powerful amplified harp playing

Closed side vents for easy cupping.

20 REED GREEN MODEL
AVAILABLE KEYS -
A-BB-C-D-E-F-G

With the **Rocket**, HOHNER has developed one of the world's loudest and most comfortable harmonica models. The green „Amp“ version is technically identical but features covers without side vents, which facilitates a tight enclosure when cupping the harmonica with a microphone for amplified playing.

Features

- Available in the keys of G, A, Bb, C, D, E and F
